

COLLEGIATE 4000 UPGRADE!!

If you've had your existing SNA Sports net system for a while, and are looking for an affordable way to get your hands on our newest technology, here is just what you've been looking for – The Collegiate Upgrade!

Simply slide your older rails off your post, slide the new ones on, and you'll be playing on the newest technology SNA Sports has to offer. The upgrade also comes with four new end caps and two rail stop bumpers to prevent your new rails from ever slipping out of your hands and hitting the floor.

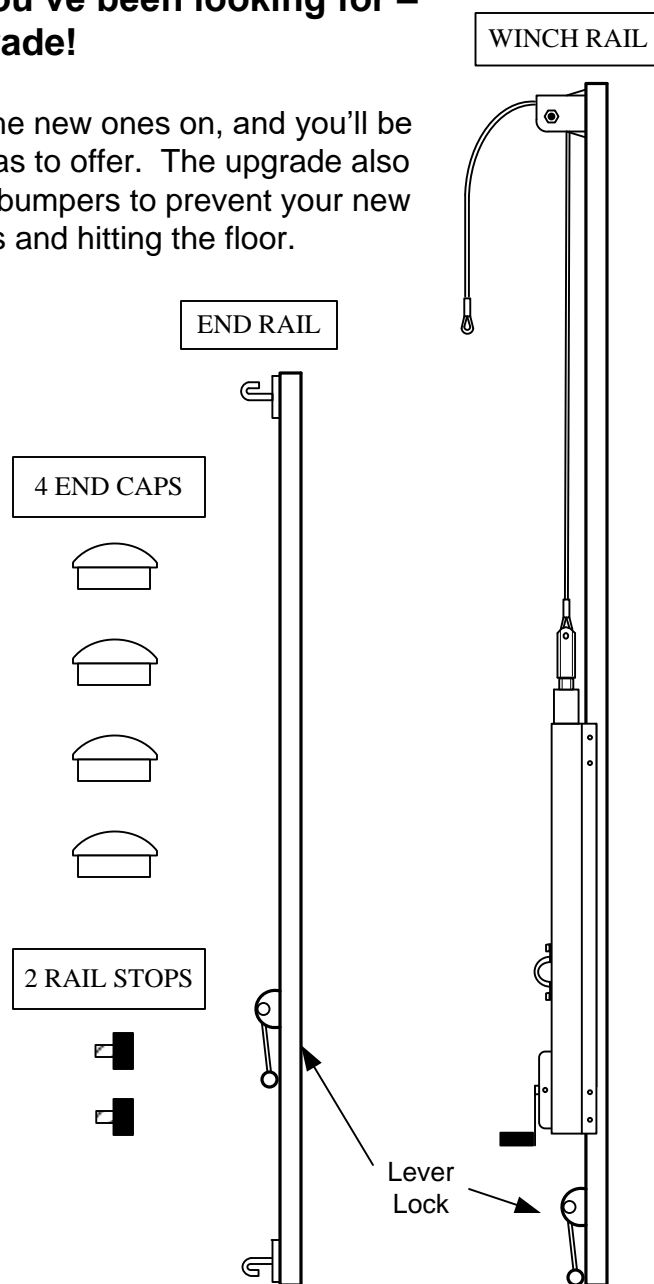

The Collegiate Upgrade comes with the following items:

- Collegiate Winch Rail featuring a collapsible handle on the winch , leverlock rail fixation, and limited LIFETIME WINCH WARRANTY
- Collegiate End Rail featuring leverlock fixation and new-style j-hooks that won't work loose
- 2 rail stop bumpers for rail channels on posts
- 2 new nylon end caps for post ends
