

SNA Sports REAR Shot Clock Bracket Assembly **SNABBSCBKT4**

Rear Shot Clock Bracket Mounting Instructions

- Rear Shot Clock Bracket arrives completely assembled, and features an adjustable-angle pivot bracket to allow mounting to any portable.

- Bracket arrives with 2 sets of hardware:

> FOR LEGACY GOALS: $\frac{1}{2}$ " x $\frac{3}{4}$ " bolts to mount to rear plate. (see photos)

> FOR OTHER PORTABLES: $\frac{1}{2}$ " x 4" bolts/nuts to drill through a structure to securely thru-bolt mount.

- Bracket arrives pre-drilled for OES and Daktronics rear shot clock models.

- Please consult SNA Sports Service Department at (800)823-0182 with any questions.
